Dear Dr S,

Please note that you are listed as a co-author on the manuscript "PG -Tabnet: A Hybrid Physics-Guided Deep Tabular Framework for Electric Vehicle Energy Consumption Forecasting", which was submitted to Energy Informatics on 31 January 2026 UTC.

If you have any queries related to this manuscript please contact the corresponding author, who is solely responsible for communicating with the journal.

Kind regards,

Editorial Assistant
Energy Informatics

Dear Prof. S,

Manuscript Title: PG -Tabnet: A Hybrid Physics-Guided Deep Tabular Framework for Electric Vehicle Energy Consumption Forecasting
Manuscript ID: b4ba6b72-19ca-4dbb-9623-e156f731e741 v1.0

Technical Check of your submission has now taken place. As a result, we need you to address the following points before your manuscript can progress any further:

1. Please provide a Funding Declaration in the manuscript. If there was no Funding, please state so.
2. The location of Figure Citation (Fig. 2) is not clear in the manuscript. Ensure the figure is cited and indicate in the manuscript where it should appear.
3. Authors reporting experiments on both animals and humans (including the use of human cell and/or tissue samples) must confirm that all experiments were performed in accordance with relevant guidelines and regulations. Additionally, the manuscript must include a statement identifying the institutional and/or licensing committee/s that approved all experiments, including any relevant details, in the Declarations section. Please check that the information provided is unambiguous using the following requirements: - A statement to confirm that all methods were carried out in accordance with relevant guidelines and regulations. - A statement to confirm that all experimental protocols were approved by a named institutional and/or licensing committee/s. - Human experiments only: Must include a sentence confirming that informed consent was obtained from all subjects and/or their legal guardian(s). For further information please see our guidelines using the following links: https://www.biomedcentral.com/getpublished/editorial-policies#ethics+and+consent https://www.biomedcentral.com/getpublished/editorial-policies#research+involving+animals If you are unable to confirm this or feel that it is not relevant to your study please contact us to discuss.
4. Consent to Publish declaration missing. Please ensure that all the necessary declarations are listed in the manuscript. Please refer to the submission guidelines for more information. If not applicable, please provide the following declaration in the manuscript: 'Consent to Publish declaration: not applicable'.
5. Consent to Participate declaration missing. Please ensure that all the necessary declarations are listed in the manuscript. Please refer to the submission guidelines for more information. If not applicable, please provide the following declaration in the manuscript: 'Consent to Participate declaration: not applicable'.
6. Ethics declaration missing. Please ensure that all the necessary declarations are listed in the manuscript. Please refer to the submission guidelines for more information. If not applicable, please provide the following declaration in the manuscript: 'Ethics declaration: not applicable.

Your paper has been placed back in the menu of the submitting author. We hope to receive your revised manuscript within 2 days from the receipt of this email. To access it, please use the following link, making sure you log in with the same email address you registered with:
https://submission.springernature.com/submission/b238dec0-ebc3-4300-979a-0b44350e7014

(Press/Click on the above link to be automatically sent to the web page.)

Please make the requested amendments carefully, before selecting the Submit manuscript button on the Review page. Do not change anything else in your manuscript.

Meanwhile, if you have any questions, please feel free to contact me.

Best regards,
Edward Almonte

CURRENT STATUS

## You have an editor assessing your submission

Your submission has passed the technical checks and is with the editor that will review and assess your manuscript's suitability for the journal, and may look for peer reviewers.

The length of time this takes can depend on several factors, including finding the best peer reviewers for your submission.

### Need help?

If you have any questions about this submission, you can email the Editorial Office (edward.almonte@springernature.com).

For general enquiries, please look at our support information.
